

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

TEVA PHARMACEUTICALS USA, INC.,  
Plaintiffs,  
v.  
CORCEPT THERAPEUTICS, INC., et al.,  
Defendants.

Case No. [24-cv-03567-NW](#)

**ORDER DIRECTING PARTIES TO  
INFORM COURT WHETHER THEY  
CONSENT TO MAGISTRATE JUDGE  
FOR ALL PURPOSES**

**To All Parties and Counsel of Record:**

The Court has reviewed the docket in this matter and Orders the parties to meet and confer and then advise the Court whether they will consent to reassignment of the case to a magistrate judge for all purposes, including entry of final judgment. *See* Civil L.R. 73-1(b). Magistrate judges have smaller civil dockets and no felony criminal cases and therefore have more flexibility than the undersigned district judge.

The Court has recently received more than 150 new or transferred cases, dozens of which have motions pending. While the Court will move all these cases forward as expeditiously as possible, this district has excellent magistrate judges, each of whom has handled highly complex matters and is more than qualified to preside over your dispute. The bios detailing their credentials are available at <https://www.cand.uscourts.gov/judges/>.

Given that this case is pending before a district judge, the parties are advised that they may jointly request assignment to a specific magistrate judge. Alternatively, a magistrate judge can be randomly selected. To the extent the parties can agree on a magistrate judge for all purposes, a consent form is available at <http://www.cand.uscourts.gov>, in the “Forms” section.

Accordingly, the parties are hereby **DIRECTED** to jointly advise the Court, no later than Wednesday, **Friday, March 21, 2025** whether they consent to have a magistrate judge conduct all

further proceedings in the instant action, and if so, whether they request a particular judge or a random selection.

**IT IS SO ORDERED.**

Dated: March 10, 2025
